

The Benefits

Shreds paper and CD-ROMs

Highest Performance and security standards

Easy to empty

Office-Shredder MY 5000 SC / 5000 CC

The perfect place for this new data shredder is in the department. As an all-rounder, it shreds paper, CD-ROMs, floppy disks, credit cards, access entry cards, and I.D.s. This new concept allows you to shred CD-ROMs in strip cut as well as in cross cut particles.

On / Off control via light barrier

LED-display and push buttons for a comfortable operation

Optimum safety

- LED display
- separate slot for CDs, floppy disks, I.D.s, credit cards

Easy to operate

- automatic Start / Stop
- push button for forward and reverse
- also push button for power On / Off for additional safety

Mounted on 4 castors for flexible location

Separate slot for CDs, floppy disks, I.D.s, credit cards

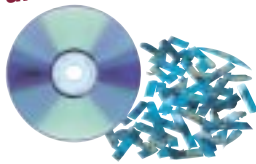

Easy to empty, no mess: slide out the complete bin

Office-Shredder MY 5000 SC MY 5000 CC

Special features

**... shreds CD-ROMs
in Strip Cut and
Cross Cut**

- shreds paper, credit cards, access entry cards, I.D.s, CD-ROMs, floppy disks
- On / Off control via light barrier
- cutters will shred paper clips and staples
- separate slot for CD-ROMs
- LED for control display („stand by“, „paper jam“, „overheat“, „bin removed“ and „bin full / reverse“)
- dustproof enclosed bin
- easy to empty - simply slide out the bin
- moveable on four castors
- contemporary colour and design for all office environments
